Mr. Donald J Horan
Loss Control Concepts

Dear Mr. Horan:

On behalf of Foley and Lardner, LLP, I wish to extend our thanks for your participation as defendant's expert in the above captioned matter. As you know, the case reached a satisfactory conclusion last week.

We are appreciative of the expertise you brought to the case, given the nuances of retail loss prevention practices and the contested facts presented. Your written reports and credible deposition testimony demonstrated both a depth of knowledge and a facile understanding of the process that positioned our side favorably.

Should our firm require the engagement of a retail security professional in the future, I would certainly call upon your services again.

Sincerely,

Kevin E. Hyde
